RE: Revised Phone call Details

- General phone calls are permitted ONCE in two weeks for Class 1 – 5, Hifdh & Adaadiya, with an exception of first year learners who can receive a phone call every week until the Ramadaan break ONLY.
- **Phone calls are restricted to Parents and AUTHORIZED guardians only.**
- Conference / Group calls are prohibited.
- Duration of phone call – 15min per learner.
- Duration of phone call - 30mins for both siblings.
- Students that reside locally and go out on Sundays will not be allowed to receive any phone calls. If in the case of emergency, contact can be made with the Madrasah Admin.
- A single phone call per week will be permitted (10 mins each per week) if parents live separately.
- Urgent communication can be made directly to admin for any other matters / at any other time.
- Kindly notify the Madrasah Admin if any parents' phone or WhatsApp numbers are changed as any unsaved/ unknown numbers will be blocked – students will not be allowed to communicate on unsaved numbers.

Alhamdulillah, Additional phones are connected to WhatsApp due to an advanced influx through this means of communication. The Madrasah is trying to implement a 'slot system' whereas parents may suggest a suitable secure day and phone call time that will create a uniformed structure, which administration can maintain, resulting in less waiting time for students to be called.
